

Covid-19 (Coronavirus) Statement - Updated 17/3/2020

Hebron Hall takes the safety and wellbeing of all our visitors very seriously.

There has been a profound change in advice from the UK Government in the last 24 hours, specifically:

- Everyone should stop non-essential contact with others
- People should work from home where they can
- People should avoid confined spaces like pubs, clubs and theatres and other such social venues.
- People should stop all unnecessary travel

Conference Centre, Swimming Pool and Sports Hall

In light of the advice given to the public, Hebron Hall Conference Centre, Swimming Pool and Sports Hall will close with immediate effect until further notice.

We are currently working through the ramifications of this decision and will be in touch with all those who have made bookings in due course.

Please bear with us as we deal with these unprecedented circumstances.
