Molly Chua

Mrs. Molly Chua is a Malaysian-Singaporean, born into a Taoist-Buddhist family, but became a Christian in her teenage years. She and her husband, Rev. Charles Chua, have been serving the Lord as missionaries in Swansea (Wales) for the past 15 years. They have ministries to the elderly Welsh congregations as well as to international university students.

Annabel, their daughter, followed her parents to Swansea when she was 6 years old. With God's grace, she recently graduated successfully from University of the Arts, London, with BA (Hons) in Media and Communications. She is a follower of Jesus and has a heart for God and people.
