

## **GENERAL MANAGER**

The Board of Hebron Hall Christian Centre in Dinas Powys, near Cardiff are seeking a new General Manager to replace the existing incumbent who is planning to retire in the summer of 2018.

The successful candidate will take the lead in a highly vibrant and forward looking Christian Conference Centre and Residential Home for Older People particularly at a crucial time in its history with advanced plans for the provision of a new 24 bed Nursing Unit. This would be designed to enhance the existing Residential Home (Bethel House) which is registered for 39 frail elderly residents including up to 12 elderly mentally infirm (EMI) places. Alongside it is a Conference Centre accommodating over 140 and also on site 15 "high quality" independent living accommodation units for older people. The Centre has an annual turnover of some £1.6m and currently employs 70 full and part time members of staff.

It is first and foremost a Christian Centre and, as such there is a genuine occupational requirement that the successful candidate will be a committed and practising Christian who is able to promote the evangelical Christian faith in line with Hebron Hall's Mission Statement and someone who can, ideally, either demonstrate previous experience in a similar role or in some similar senior management position.

The salary will be commensurate with experience but is initially likely to start from £45,000 per annum. If the Centre does proceed with the development of the Nursing Unit then there will need to be some restructuring and enhancement at a senior level with a likely consequential reassessment upwards of the salary structure.
